

ADAPTIVE SOCCER PROGRAM

EMME

ABOUT US :

EMME Therapy Services is a pediatric therapy practice dedicated to making expertise accessible to everyone.

EMME is planning a free, inclusive, adaptive soccer clinic designed for children with physical and developmental differences. With support from therapists, the program focuses on developing soccer skills.

THE PROGRAM:

Inviting participants 5-18 to learn soccer skills with coaches and licensed therapists.

Clinic will focus on skills such as:

- dribbling
- passing
- shooting
- ball control
- coordination
- confidence
- teamwork

UNIQUE ELEMENTS

- ✦ Therapist support for meaningful access
- ✦ Evidence-based techniques for coaches
- ✦ Focus on individualized skill development
